All prices are quoted on a per plant basis in United States Dollars, F.O.B. Altha, Florida, USA and include royalties unless stated otherwise. Documentation, boxing, shipping charges, taxes and fees are extra. Pricing, specifications, availability and terms of offer are subject to change without notice.

TERMS: Payment is required prior to shipment unless Net 30 Day credit has been established and payment terms upheld. All payments must be in United States Dollars via wire transfer, cash, credit card (Visa or MasterCard), or check drawn on a United States bank. Credit accounts are subject to finance charges of 1.5% per month (18% per year) on any outstanding balance. All checks returned by the bank for insufficient funds will have a \$35.00 service fee added to the outstanding amount. We reserve the right to change credit terms and or cancel pre-booked orders on past due accounts. All orders are accepted on the terms and conditions stated on our standard invoices and/or order confirmations. Copies are available by written request.

MINIMUM: Per variety minimum order quantities vary pending product type and package quantities: 900 to 1,200 for stage II or stage III. Less than minimum quantity orders are subject to a 15% surcharge.

PACKING: We charge \$8.00 per box.

SHIPPING: We have years of experience shipping our plants around the world and will be happy to help you select the safest and most economical shipping method for you.

INTERNATIONAL SHIPMENTS: An international order is confirmed with a proforma invoice which states a specific payment due date. Please pay careful attention to payment due dates as late payments can result in your order being canceled or delayed. Phytosanitary certificates that are required for international shipments of live plants will be charged at cost per shipment. Additional fees may apply for CITES permits and/or compliance with special regulatory requirements of the destination country or state. We may require Import Permits presented in English depending on the destination country. International shipments require an additional charge of \$75 that cover documentation such as Commercial Invoices (CARICOM, NAFTA), Certificate of Origin and additional copies required for airlines and customs.

PRODUCT LIABILITY: To the extent of the purchase price we warrant that the plants are as invoiced. No other warranty either expressed or implied including warranties of saleability or fitness for a particular purpose is extended.

CANCELLATION CLAUSE: We work hard to plan, prepare and plant specifically for your order. Please allow a minimum of twelve weeks prior to your ship date for cancellations. Late order cancellations are subject to a 10% cancellation charge.

CLAIMS: If you experience any quality problems with our product you must contact your sales representative or our main office within 24 hours of delivery. Pictures are required when filing a quality related claim. Since we have no control of the product once it leaves our hands, we are not responsible for damage incurred during shipping or due to delays. Please immediately inspect and note on the shipping documents any damage incurred. Most carriers will only honor claims noted on shipping documents.

LEGAL OWNERSHIP: Any asexual reproduction of a patented plant or use of trademarks without written consent from owner is illegal and subject to prosecution under United States Patent and Trademark laws.
